

Status of Inter-University Exchange between Japan and Vietnam 【Southern part of Vietnam】

	University in Japan	Office in Vietnam	Institutions in Vietnam	In case of the agreement signed	Fields	Cooperation	Results and future plan	HP Documents	Remarks
1	University of Tsukuba (Tsukuba City, Ibaraki)	University of Tsukuba Ho Chi Minh City Office (relocated in April, 2016)	University of Medicine and Pharmacy at Ho Chi Minh City (concluded in March, 2007)	○	Medicine, Life Sciences, Biotechnology and related fields	Joint programs, joint research, student exchanges and faculty exchanges	The University of Tsukuba HCMC Office was established in 2009 in the Institute of Tropical Biology in Ho Chi Minh City as the third overseas office of the University of Tsukuba. The Office was relocated to the University of Medicine and Pharmacy, also in Ho Chi Minh City, in 2016. It aims to promote development of academic exchanges and collaborative projects with educational and research institutions in Vietnam, as well as provide necessary support to Vietnamese students who intend to study at the University of Tsukuba and vice versa. The Office also aims to enhance alumni relations in Vietnam. Starting from 30 Vietnamese students studying at the University of Tsukuba in 2009, the current number is now more than 70. Moreover, the University of Tsukuba has concluded academic exchange agreements with more than 15 universities and research institutes in Vietnam, including Vietnam National University in Hanoi and Ho Chi Minh City.		
		University of Tsukuba Laboratory (established in April, 2016)	Biotechnology Center of Ho Chi Minh City (concluded in March, 2007)	○	Medicine, Life Sciences, Biotechnology and related fields	Joint programs, joint research, student exchanges and faculty exchanges	The University of Tsukuba Laboratory was established in 2016 at the Biotechnology Center of Ho Chi Minh City, where the University of Tsukuba organizes short training programs, seminars and other events at the laboratory not only for its students but also for students and faculty members from partner universities and institutes in Southeast Asian countries. With the appointment of a senior advisor based at the laboratory, we intend to strengthen the career support system for our alumni in Vietnam.
